"Fellow Councilmen and friends. I am fully aware of the unusualness of your action today, which for the fourth time has made me President of your Honorable body. I most sincerely appreciate the honor, one that could not have been possible for me to enjoy, except that others in this group have been willing to make a sacrifice.

"Going through my files of 1932 I came across a clipping from the Indianapolis Star and I fully hope that when we have ended our next and fourth year, that the paper will come out with the same kind of an editorial which I will read to you in part:

#### CITY COUNCIL EFFICIENCY

'The application of an old adage no news is good news should convince the people of Indianapolis that members of the City Council are functioning with more than usual efficiency. The reporters "covering" the City Hall may regret the comparative absence of buncombe and ballyhoo that has by no means been unknown in the past. The business like handling of the community's affairs may make less "good copy," but it speaks well for the manner in which municipal problems are handled.

'The councilmen are representative citizens who have refused to be stampeded into hasty and ill-advised action on proposed ordinances. They have granted a hearing to all and then quietly voted in accord with what seems to be the city's best interests.'

"We hope that at the end of this year that the papers will again be able to say as much for us."

On motion of Mr. Wheatley, seconded by Mr. Morgan, the Common Council adjourned at 12:15 p. m.

We hereby certify that the above and foregoing is a full, true and complete record of the proceedings of the Common Council of the City of Indianapolis, Indiana, held on the 2nd day of January, 1933, at 12:00 O'Clock noon.

IN WITNESS WHEREOF, We have hereunto subscribed our signatures and caused the seal of the City of Indianapolis to be affixed.

Gentlemen:

January 10, 1933.

Wm. L. Elder,  
City Controller,  
City of Indianapolis.

Dear Sir:

General Ordinance No. 83, 1932, provides for the grade of First Grade Substitutes and Second Grade Substitutes. The number of First Grade Substitutes is limited to 50 in the 1933 budget and money appropriated for their pay. The ordinance further provides that new appointees to the Fire Department shall be appointed as Second Grade Substitutes and shall not be promoted for one year. No money is appropriated specifically to Second Grade Substitutes. Four new firemen have been appointed as Second Grade Substitutes, effective January 11, 1933. Inasmuch as the fifty substitutes is a fixed or constant number, remaining the same whether composed of First or Second Grade Substitutes, and inasmuch as a transfer of funds could not be made in time to meet this pay roll, the Board of Safety recommends that a resolution be adopted by the Common Council authorizing the payment of Second Grade Substitutes out of the appropriation to First Grade Substitutes as set out in the 1933 budget.

We further recommend that a like resolution be adopted relative to the Police Department budget, permitting the salaries of newly appointed Third Grade Patrolmen in excess of the four already provided for in the 1933 budget, be paid from the appropriation to Second Grade Patrolmen.

Very truly yours,

BOARD OF PUBLIC SAFETY,

/s/ WALTER O. LEWIS,  
Executive Secretary.

Dear Sir:

You are hereby notified that as Mayor of the City of Indianapolis, I have determined that a contingency has arisen requiring the expenditure of a part of the appropriation reserved for contingencies. These services consist of advising the City of Indianapolis and testifying before the Public Service Commission of Indiana at a recent hearing held on a petition for an increase in rates filed by the Indianapolis Water Company, and if needed, to also testify for the City of

Indianapolis in a certain case growing out of said rate hearing now pending in the United States District Court of Indiana.

*Mr. Henry O. Goett,

City.*

Dear Mr. Goett:

I have been requested to introduce an ordinance seeking to lower the license fee for Junk Dealers.

I will appreciate it if you will present it at the meeting of the Council this evening.

LEO F. WELCH.

February 4, 1933.

*Mr. Leo Welch*  
*25 West Ohio St.*  
*Indianapolis, Ind.*

Dear Mr. Welch:

Owing to the economic depression many of the persons engaged in the business of retail Junk Dealers will be unable to pay the present license fee of \$100.00. They are only asking for relief in 1933. The full amount of the license fee as now fixed by law they will be unable to pay. This will drive many of them out of business and they will have to seek other employment.

Many of these persons have passed the Meridian of life and are unfitted to take up any new forms of employment that would be remunerative.

Under the conditions existing in Indianapolis with more than 57,000 unemployed seeking work, the relief asked for in this ordinance is only just and equitable.

Very truly yours,

#### COMMUNICATIONS FROM CITY OFFICIALS

March 30, 1933.

*Mr. Ernest C. Ropkey, President  
Common Council,  
City of Indianapolis.*

Dear Sir:

On last Tuesday the Board of Public Safety was informed by the Chief of Police that disreputable methods are being used to stir up litigation in this city where none would be had were it not for the efforts of certain persons who are following up accidents and inducing persons to bring suit, thereby occupying the time of the courts and filching money from people who would rather pay a small sum than to be dragged into court.

Newspaper clippings are being gathered by these persons and the police department has been harassed with men of this class for police reports made privately to the Chief. In one case suit was brought to compel the Chief to divulge the information and turn over to these people such reports.

Section 639 of the City Ordinance makes such reports public records.

The one and only way we can put a stop to this nefarious business is to leave it within the discretion of the Board of Public Safety or the Chief of Police to surrender them to legitimate practicing attorneys or to persons themselves who are involved in the accidents.

For this reason the Board of Public Safety recommends that Section 639 of the City Ordinance be repealed or amended so that the practice of stirring up litigation can be discouraged.

Very truly yours,

BOARD OF PUBLIC SAFETY,  
By C. R. MYERS,  
President.

of the City of Indianapolis, Indiana.*

Gentlemen:

Attached please find copies of Appropriation Ordinance No. 4, 1933, appropriating the sum of Fifty-seven Dollars and Forty Cents (\$57.40) from the estimated unexpended and unappropriated balance of the General Fund for the year 1932 to City Plan Commission Fund No. 13—Other Compensation.

City of Indianapolis.*

Dear Sir:

The City Plan Commission respectfully transmits herewith 15 copies of an ordinance calling for the appropriation of the sum of \$57.40 from the estimated unexpended and unappropriated balance in the general fund for the year 1932 and transferring and allocating the same to City Plan Commission Fund No. 13—Other Compensation. The money so appropriated is to be used by the City Plan Commission in paying for the cost of preparing a transcript of an appeal from the decision of the Marion Circuit Court to the Indiana Appellate Court.

The City Plan Commission respectfully requests that you present this ordinance to the Common Council at its next meeting with the recommendation that the same be passed.

Very truly yours,

/s/ H. B. STEEG,  
Secretary-Engineer,  
CITY PLAN COMMISSION.

April 3, 1933.

*To the Honorable President  
and Members of the Common Council  
of the City of Indianapolis, Indiana.*

Gentlemen:

The Municipal Code of the City of Indianapolis was prepared and printed in the year 1925. With the new ordinances affecting it during the last eight years it has become very much out of date.

Under General Ordinance No. 121 of 1925 the City Controller is charged with the care and sale of these codes, and the sale at Three (\$3.00) Dollars per copy has become practically negligible. There are still on hand approximately five hundred copies which will shortly become practically useless, because they do not contain ordinances and amendments since 1925. It is, therefore, suggested that this section of the ordinance be repealed and the City Controller

be given authority to exchange copies with other cities and sell the remaining copies at a low price to such persons as may find them useful.

This suggestion is made with the consent and concurrence of the Building Commissioner, Wm. F. Hurd.

Very respectfully,

WM. L. ELDER,  
City Controller.

Mr. Wheatley asked for a recess. The motion was made and seconded by Mr. Welch, and the Council recessed at 7:35 p. m.

The Council reconvened from its recess at 7:45 p. m., with the same members present as before.

*To the Honorable President  
and Members of the Common Council  
of the City of Indianapolis, Indiana.*

Gentlemen:

Attached you will find a copy of a letter from the Mayor of the City of Indianapolis, wherein he has determined that a contingency has arisen requiring the expenditure of a part of the appropriation in the Mayor's Contingency Fund, being Fund No. 26 of the Department of Finance, Controller's Office, in the sum of \$500.00 to be used in paying certain fees for expert advice and services as appraiser and engineer in connection with water rate hearings held before the United States District Court.

I recommend that said sum of \$500.00 be set aside and made available out of said fund for the purposes aforesaid to be paid by my warrant.

This will notify you of such determination on the part of the Mayor, and my approval thereof.

Very truly yours,

WM. L. ELDER,  
City Controller.

May 15, 1933.

*Mr. William L. Elder,  
City Controller,  
Indianapolis, Indiana.*

Dear Sir:

You are hereby notified that as Mayor of the City of Indianapolis, I have determined that a contingency has arisen requiring the expenditure of a part of the appropriation reserved for contingencies. This expenditure is necessary to pay Mr. John Deery the sum of \$500.00 for services as architectural appraiser and engineer. These services consist of advising the City of Indianapolis and testifying before the United States District Court of Indiana, in connection with the water rate hearing.

I request that upon your approval of this proposed expenditure you notify the Common Council in writing, so that the Common

Council may, if it sees fit, adopt a resolution setting forth the circumstances regarding this contingency and approving this proposed expenditure from such appropriation.

Very truly yours,

(signed) R. H. SULLIVAN,  
Mayor.

May 15, 1933.

*Hon. President and Members  
of the Common Council:*

I have been requested to present to you for introduction General Ordinance No. 34, 1933.

CHARLES C. MORGAN,  
Councilman.

May 15, 1933.

*Hon. President and  
Members of the Common Council  
of the City of Indianapolis.*

Gentlemen:

Please find hereto attached fourteen (14) copies of a proposed ordinance repealing General Ordinance No. 23, 1933, being "An Ordinance licensing and regulating Itinerant Produce Dealers and Wholesale Produce Dealers, defining who are Itinerant Produce Dealers and Wholesale Produce Dealers, providing penalties for the violation thereof, repealing all ordinances in conflict therewith and declaring a time when the same shall take effect."

I am presenting this ordinance on behalf of the Poultry Dealers' Association of Indianapolis, recently organized. My investigation of the law of Indiana satisfies me that the Legislature has failed to delegate to municipalities authority to license produce dealers, as is attempted by Ordinance No. 23. It is my opinion that the right to regulate certain businesses does not of itself carry with it the right to license dealers conducting such business nor to tax them unless license and tax is expressly mentioned in the law pursuant to which an ordinance is enacted. Furthermore, Ordinance No. 23 is considered discriminating and in restraint of trade in its effect and void for these reasons also.

On behalf of my clients, I urgently recommend that this repeal ordinance be passed.

Very respectfully,

CLYDE P. MILLER.

Mr. Wheatley asked for a recess. The motion was made and seconded by Mr. Henry, and the Council recessed at 7:45 p. m.

The Council reconvened from its recess at 8:15 p. m., with the same members present as before.

Section 2. The City Controller shall, as soon as possible after the passage of this ordinance, advertise for bids or proposals for said bonds by at least one insertion each week for two consecutive weeks, in two daily newspapers of opposite political faith, of general circulation, printed and published in the English language, in the City of Indianapolis, Marion County, Indiana, as required and authorized by law; and may otherwise advertise for such bids or proposals as he may deem advisable. Such advertisements shall describe said bonds with such minuteness and particularity as the said City Controller shall see fit and shall set forth the amount of said bonds to be sold and that the bidder shall bid upon the rate of interest to be paid upon said bonds, the bonds to be awarded to the bidder bidding the lowest rate of interest thereon; that the bidder may bid for all or any part of said bonds; the date of opening bids or proposals therefor; the right of the City Controller to reject any or all bids; the amount of deposit each bidder will be required to make and when and where the bonds shall be delivered and paid for.

Section 3. Each and every bid and proposal shall be presented to the City Controller sealed, and shall be accompanied by a duly certified or cashier's check upon some responsible bank or trust company of the City of Indianapolis, Indiana, payable to the order of the City Treasurer, for a sum of money which shall equal two and one-half percent ( $2\frac{1}{2}\%$ ) of the face or par value of the bonds bid for or proposed to be purchased. The City Controller shall continue to receive all bids or proposals thereafter at the office of the City Controller until eleven o'clock a. m. on the day fixed by the City Controller and designated in the advertisement for receiving bids or proposals, at which time and place and between the said hour and twelve o'clock noon of said day he shall open said bids or proposals. The City Controller shall award said bonds, or as he shall see fit, a part or any number thereof, to the highest and best bidder, who shall in this event be the bidder who shall bid the lowest rate of interest upon said bonds, and said City Controller shall have the right to reject any or all such bids or proposals or any part thereof and shall have the right to accept any part of any bid and to award upon any bid the whole or a less number of bonds covered by such bid, he being the sole judge of the sufficiency or insufficiency of any kind, except that he shall not award such bonds to any bidder bidding a rate of interest upon said bonds more than four and one-half percent ( $4\frac{1}{2}\%$ ) per annum thereon. He may also, in his judgment and discretion, award a part of said bonds to one bidder and a part to another. These provisions shall apply to the case of reoffering and readvertising said bonds as hereinafter provided.

Section 4. In case the City Controller shall reject all bids submitted, or if he shall award only a part of said bids, he shall readvertise the bonds remaining unsold in the manner herein prescribed for the original advertisement, and in such readvertisement he is authorized and directed to fix the date and the time both of receiving and opening bids or proposals, and for purchasers to take up and pay for the bonds which may be awarded, and he shall continue from time to time in like manner to readvertise said bonds for sale until said bonds are sold.

Section 5. In case any bid or proposal shall not be accepted and there shall be no award of bonds thereon by the City Controller, he shall thereupon return to such unsuccessful bidder the certified or cashier's check accompanying the same. If the City Controller shall award the whole or any part of the bonds upon any bid or proposal, he shall thereupon deliver the certified or cashier's check accompanying the same to the City Treasurer, who shall thereupon present the same for payment and shall be entitled to collect the same and shall hold the proceeds collected thereon until the completion of the purchase and the payment for the bonds so awarded. In case any successful bidder shall fail to complete the purchase price of the bonds so awarded and to pay for the same within the time and manner herein required, or which may be prescribed by the City Controller as herein provided, the proceeds of such certified or cashier's check deposited by such bidder shall be taken, considered and deemed as agreed and liquidated damages for the breach of such bidder's contract to purchase and shall be taken and deemed as a payment to the city for such damages and shall be retained and held by said city for its use; but if such successful bidder shall complete the purchase of said bonds awarded to him pursuant to the provisions hereof and his bid and award thereon, said proceeds of said certified or cashier's check shall thereupon be returned to such bidder, or, at the option of the City Controller, at the time of the completion of the sale and payment of the bonds, said proceeds of said certified or cashier's check may be applied and deemed a payment on account of the purchase of said bonds.

Section 6. Delivery of any bonds shall be made at the office of the City Treasurer of the City of Indianapolis, Indiana, upon such day or days as may be specified in the advertisement or readvertisement, or within such time thereafter as may be fixed by the City Controller, and the purchaser or purchasers and the City Controller may extend the time for such delivery not more than ten (10) days after the day or days specified or agreed upon as above provided, and the successful bidder or bidders shall take the bonds awarded to him or them, and pay for the same at such place and time, and his or their refusal or neglect or omission to do so shall be a breach of the contract of his or their bid or proposal on account of which damages shall be retained or recovered as liquidated, as provided in this ordinance.

Section 7. The bonds taken and paid for to the satisfaction of the City Controller shall be a binding obligation of the City of Indianapolis according to their tenor and effect, and the proceeds derived from the sale or sales or both as herein authorized shall be and are hereby appropriated to the Department of Law for the payment of judgment claims, interest and costs thereon, hereinbefore set out, and shall constitute and continue appropriations until all of said designated claims, interest and costs have been paid.

### COMMUNICATIONS FROM CITY OFFICIALS

July 17, 1933.

*To the Honorable President and  
Members of the Common Council  
of the City of Indianapolis.*

Gentlemen:

Attached please find copies of Appropriation Ordinance No. 12, 1933, appropriating the sum of One Thousand Dollars (\$1,000.00) out of the anticipated and unexpended balance in the General Fund for the year 1933 to the Department of Finance, Controller's Office Fund No. 26—Mayor's Contingency; also, appropriating the sum of Four Hundred Dollars (\$400.00) out of the anticipated and unexpended balance of the general fund for the year 1933 to various numbered funds of the Department of Public Safety—Dog Pound.

I respectfully recommend the passage of this ordinance.

Yours very truly,

EVANS WOOLLEN, JR.,  
City Controller.

July 15, 1933.

*Evans Woollen, Jr.,  
City Controller,  
City of Indianapolis.*

Dear Sir:

In checking over the Dog Pound budget we find that the balance in several of the funds will not be sufficient for the remainder of the year. These particular funds cover the purchase of actual necessities such as food, chloroform for destroying the dogs, fuel, and

repairs to the building, it being in rather a dilapidated condition and needing repairs from time to time.

As you are aware, no doubt, for several years past Dr. Conger has contributed quite a nice little sum each year to the general fund of the city through the sale of dogs. Our records show that since the first of the year she has turned in to the City Controller \$567.00 through this channel. We are asking, therefore, that an ordinance be prepared and presented to the Common Council appropriating certain amounts from this special fund to the various funds in the Dog Pound budget that are running low in order to operate the remainder of the year without overdrawals. Also that a transfer of money be made from one fund to another in the Dog Pound budget.

Appropriate Four Hundred (\$400.00) Dollars from the special fund as follows:

Seventy-five (\$75.00) Dollars to Fund No. 31—Food,

Fifty (\$50.00) Dollars to Fund No. 32—Fuel and Ice,

One Hundred Twenty-five (\$125.00) Dollars to Fund No. 34—  
Institutional and Medical,

One Hundred Fifty (\$150.00) Dollars to Fund No. 38—Gen-  
eral Supplies.

Transfer Twenty-five (\$25.00) Dollars from Dog Pound Fund  
No. 25—Repairs—and reappropriate same to Dog Pound  
Fund No. 41—Building.

Respectfully submitted,

BOARD OF PUBLIC SAFETY,

By: (Signed) WALTER O. LEWIS,  
Executive Secretary.

July 17, 1933.

"Section 2. It shall be unlawful for any person, firm, corporation or association to engage in the business of an 'Itinerant Poultry Dealer' or 'Local Poultry Dealer' in the City of Indianapolis, without first having secured a license so to do as hereinafter provided.

"Section 3. Any person selling any such produce of his own raising or producing shall deliver to the purchaser a sales slip which shall contain his name and residence, and the number of his registration certificate.

"Section 10. The issuance of any license hereunder shall not be construed in any manner to exempt the holder thereof from the obligation of compliance with any and all other ordinances of the City of Indianapolis or laws of the State of Indiana.

"Section 11. Every 'Itinerant Poultry Dealer' and 'Local Poultry Dealer' to whom a license shall be issued under this ordinance, shall display such produce for inspection by inspectors assigned to such duty by the Board of Public Health and Charities and/or Board of Public Safety of the City of Indianapolis, upon demand by such inspector and upon said inspector showing evidence of his authority so to do; and, upon inspection, if any of such produce shall be found unwholesome, stale, diseased, or otherwise unfit for food purposes, such produce shall be forthwith condemned and removed from the vehicle or other place where found and shall not be sold, but as to all such produce which shall be passed by said inspectors as fit

for food purposes there shall be issued a certificate to such 'Itinerant Poultry Dealer' or 'Local Poultry Dealer' showing that such produce has been inspected and passed on the date therein set out.

"Section 12. No poultry shall be slaughtered, picked or drawn in the same room where other fresh meats or other food products are sold or offered for sale, nor at any place not zoned for business under any present or future zoning ordinance of the City of Indianapolis.

#### COMMUNICATIONS FROM CITY OFFICIALS

August 5, 1933.

*To the Honorable President  
and Members of the Common Council  
of the City of Indianapolis, Indiana.*

Gentlemen:

I am submitting, attached hereto, copies of an ordinance designed to clarify any possible doubt of the power of the corporation counsel to employ attorneys, either in venue cases or for special purposes, experts and others required in any litigation or other matters affecting the city or officers in their official capacity, when such employment and the expenses incidental thereto are necessary, and ratifying any action previously taken in such respects.

The Act of 1905 relating to the legal department of cities specifies certain regular assistants to be appointed by the corporation counsel (or city attorney in other class cities) and then has this clause "And in all cities, the city attorney shall employ such other assistants as he may be authorized to do by ordinance, and no other." While this clause has always been interpreted as applying only to the employment upon an annual basis of regular additional assistants in this department and since the later budget statute, with the appropriations contained therein for the employment of other persons deemed necessary, has been considered as modifying the above clause by implica-

tion, at least in respect to the employment of temporary or occasional assistants of any sort, yet I believe it would avoid any possible question being raised at some time in the course of a law suit as to the authority of local counsel or special assistants, to directly authorize such employment by ordinance. I have added the protecting clause that there must be an appropriation available for that purpose and have also covered a legalizing section for similar past and present such employments and expenditures where there have been appropriations to cover the same.

In some of the smaller cities of the state, I find that the city attorneys always have the common council authorize any employment even of local counsel in venued cases, but to attempt to follow that procedure in a city of this size with the large number of venued cases would be wholly inadvisable.

For the above reasons I recommend the adoption of this ordinance.

Very truly,

EDW. H. KNIGHT,  
Corporation Counsel.

August 7, 1933.

Mayor.

August  
21st,  
1933.

*To the Honorable President and Members  
of the Common Council of the City of  
Indianapolis, Indiana.*

Gentlemen:

I have this day the honor of submitting to your honorable body, pursuant to the statutes of the State of Indiana, the proposed budget of all of the departments of government of the City of Indianapolis for the year 1933, together with the proposed tax levies of the general fund and each separate fund, and also the budget of the estimated receipts from the special street fund to be derived from gasoline tax, etc., hereinafter called gasoline fund, all of which is hereto attached and which has been transmitted by and with the recommendation of the Honorable Evans Woollen, Jr., City Controller, as required by law.

In making the budget, one year ago, we were confronted by a loss in valuation of more than \$121,000,000. We met the situation by a drastic cut in salaries, the elimination of positions, the curtailment of activities and the transfer to the then increased gasoline fund of every item of expense we could take from the tax budget. We hoped that valuation decreases were at an end but this year the Auditor of Marion County certified a valuation of \$511,162,710, which was a further loss in valuation over a year ago of \$43,594,957. This together with loss in miscellaneous receipts of \$127,709.12, a loss in gasoline receipts of \$285,920.30 and unprecedented tax delinquencies made the preparation of the proposed budget a most formidable task.

The City Controller has been working on the budget for many weeks. He has held open meetings to which have been invited your honorable body and representatives of organizations which have expressed a desire to assist in the making of this budget. To this meeting, he has called the board members and department heads. He has sought all the information and data available and has listened to every person who had a suggestion to make. The new source of revenue from the State of Indiana from Excise Taxes, estimated at \$247,362.00 is most welcome but is more than offset by loss of miscellaneous revenue, gasoline tax decreases and the inclusion in the budget of interest for temporary loans.

While the gasoline tax is not a part of the tax budget yet it plays an important part in the making of the same. Last year, we trans-

ferred from the tax budget to the gasoline budget more than \$200,000.00. Because of a loss in anticipated gasoline tax receipts of \$285,920.30 we are compelled to again place a part of last year's transfers upon the tax budget. Delinquent taxes have been estimated at seven per cent instead of six per cent as last year. This makes a further decrease in anticipated revenue. There has been no general pay reduction but an adjustment of salaries which caused a reduction to some individuals. Some positions have been eliminated and appropriations for supplies and equipment again reduced. One activity, the dental clinics, has been dispensed with.

The net result is a reduction of the proposed budget exclusive of gasoline receipts of \$203,646.17. In addition, a reduction in the gasoline budget of \$285,470.84. The amount to be raised by a tax levy is \$343,721.37 less than the budget of one year ago as reduced by the Board of Equalization, and under which we are now operating.

In spite of the above reduction, the rate recommended of 1.31 is five cents per One Hundred Dollars higher than last year.

In your consideration of the budget, I assure you that the services of the Controller, Board Members, Department Heads and myself are at your disposal. We will be glad to appear before you and give you all the information we possess.

Respectfully,

R. H. SULLIVAN,  
Mayor.

#### COMMUNICATIONS FROM CITY OFFICIALS

August 21, 1933.

*Hon. Reginald H. Sullivan, Mayor, and  
the Members of the Common Council of  
the City of Indianapolis, Indiana.*

Gentlemen:

Pursuant to Section 10306, Burns Revised Statutes of 1926, there are submitted herewith and recommended the budget estimates for the year 1934. Board and department heads have cooperated loyally in an effort to reduce estimates to a minimum consistent with essential needs.

The total appropriation recommended is \$6,960,539.04, as compared with \$7,164,185.21 in the currently operating budget. This is a reduction of \$203,646.17. The amount recommended to be raised by the tax levy is \$6,227,413.50, as compared with \$6,571,134.87 in the currently operating budget. This is a reduction of \$343,721.37.

The tax levies are computed on a valuation of \$511,162,710.00, as certified by the County Auditor. This, when compared with the valuation of \$554,757,667.00, used a year ago accounts for an increase in the recommended tax rate in spite of reduced budget estimates. In computing the levy allowance is made for a seven per cent delinquency. This is acknowledged to be highly speculative, depending so much upon the trend in general conditions.

A new classification appears in the revenue side of the budget under the caption "Excise Tax Receipts." The estimated revenue from these sources is \$247,362.00. Of this amount \$75,000.00 is from the beer tax, and \$172,362.00 is from the bank and building and loan tax. The former item is payable into the City General Fund, and the latter is distributable to the various units in the same manner as the property tax.

Estimated Miscellaneous Revenue is \$452,197.33 as compared with \$579,906.45 in the currently operating budget. This is a decrease of \$127,709.12.

Estimated balances to be utilized in the budget amount to \$33,566.19.

Revenues from gasoline taxes are estimated at \$400,449.46, as compared with \$685,920.30 last year. While this item does not enter into the total of the budget table, it has presented a major difficulty in making the budget. The large decrease in revenue from this source has necessitated the transfer of many expense items from the gasoline tax budget to the property tax budget.

Below are the tax rates recommended for the various funds:

General Fund .....	\$ .75
City Sinking Fund.....	.0669
Flood Prevention Sinking Fund.....	.0305
World War Memorial Bond Fund.....	.0240

The Council reconvened from its recess at 8:05 p. m., with the same members present as before.

## COMMUNICATIONS FROM CITY OFFICIALS

August 30, 1933.

*To the Honorable President and Members  
of the Common Council of the  
City of Indianapolis.*

Gentlemen:

Attached hereto are 14 copies of General Ordinance No. 57, 1933, amending the Official Thoroughfare Plan of the City of Indianapolis.

Under the National Recovery Act the Indiana State Highway Commission has proposed the paving of the Lafayette Road between

Sixteenth Street and the Cold Spring Road to a roadway width of fifty-six feet. This improvement will be made without cost to the abutting property owners or the City of Indianapolis. However, it is necessary that the City provide sufficient right-of-way. This has been obtained without cost except in one instance where it will be necessary to move back a building that projects into the proposed line of the street. We have entered into an agreement with the owner of this property whereby the cost of this moving will be paid from the Thoroughfare Plan Fund of the City Plan Commission, but before this can be done this street must be included in the Official Thoroughfare Plan.

Inasmuch as every effort is being made to have this work completed yet this year, the City Plan Commission urgently requests the passage of this ordinance under suspension of rules.

Very truly yours,

H. B. STEEG,  
Secretary-Engineer,  
CITY PLAN COMMISSION.

September 2, 1933.

*To the Honorable President and  
Members of the Common Council of  
the City of Indianapolis, Indiana.*

Gentlemen:

Attached please find copies of General Ordinance No. 58, 1933, transferring the sum of One Thousand One Hundred (\$1,100.00) Dollars from Department of Public Works, Administration Fund No. 24—Printing and Advertising and reappropriating the same to Department of Public Works, Administration Fund No. 51—Insurance and Premiums.

I respectfully recommend the passage of this ordinance.

Yours very truly,

EVANS WOOLLEN, JR.,  
City Controller.

August 31, 1933.

*Mr. Evans Woollen, Jr.,  
City Controller.*

Dear Sir:

The Board of Public Works respectfully requests that you cause to be prepared an ordinance transferring the sum of \$1,100.00 from Board of Public Works—Administration—Printing and Advertising No. 24, into Administration 51—Insurance and Premiums, and present the same to the Common Council at the next meeting with the recommendation of the Board of Public Works that the same be passed.

This transfer is made necessary due to the fact that premiums on policies were paid out of the Airport Bond Issue last year, and no provision was made for them in the Budget of this year.

Yours very truly,

/s/ ERNEST F. FRICK,  
Secretary, Board of Public Works.

*Evans Woollen, Jr.,  
City Controller,

Dear Sir:

On the recommendation of Chief Morrissey, we are requesting that an ordinance be presented to the Common Council asking for the transfer of One Thousand (\$1,000.00) Dollars from Police Department Fund No. 11—Salaries and Wages, Regular—Patrolmen First Grade, and reappropriate same to Police Department Fund No. 25—Repairs.

This transfer is necessary because of the fact that the request for Fund No. 25—Repairs—in the Police Department Budget this year was kept to the minimum in the anticipation of the purchase

of new automobiles, which was not done and the repairs to the present equipment will exceed the amount allotted.

Very truly yours,

BOARD OF PUBLIC SAFETY,  
(signed) C. R. MYERS,  
President.

October 13, 1933.

*Mr. Evans Woollen, Jr.,  
City Controller,  
City Hall,  
Indianapolis, Indiana.*

Dear Mr. Woollen:

In accordance with the suggestion recently made by the Mayor, I am advising you that I am having a general ordinance submitted to the Common Council next Monday evening, transferring a total of \$1,000 from the considerable balance now in the Legal Department's Fund No. 53, for indemnities and awards, to three other of my funds where it now appears there will not be sufficient to meet the necessary bills. The publication by Bobbs-Merrill of new revised Indiana Statutes will require an unanticipated outlay of \$180.00 from Fund No. 72, and also I desire to pay the balance on the new West Indiana-Northeastern Digest out of this fund. A recent trial out of the county and some other expected trials out of this county will require additional money for local counsel and expert witnesses, so I am anticipating that by my transfer to Fund No. 13, and for the same reason I am transferring \$100 to Fund No. 21 to cover additional trial expenses. Aside from such expenses as will be necessary, I will endeavor to preserve as much of a balance as possible in the funds during the remainder of the year.

I am enclosing a copy of this letter if you need it for transmission to the Common Council.

Very truly yours,

EDW. H. KNIGHT,  
Corporation Counsel.

Respectfully submitted,

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That Section 2 of General Ordinance No. 28, 1931, (as amended), be amended to read as follows, to-wit:

"Section 2. (a) The business of operating taxicabs upon the streets of the City of Indianapolis is declared to be a business affected with the public interest. The rapid increase in the number of taxicabs in the City of Indianapolis has so increased the dangers and hazards of travel upon the streets of the city as to make it imperative that more stringent regulation should be employed, to the end that the streets may be rendered safer for the use of the general public; that congestion of traffic upon the streets may be minimized, and that the use of the streets for the transportation of persons for hire may be restricted to the extent required by the necessity of the general public.

"(b) No person or corporation shall engage in the business of operating a taxicab, or taxicabs, upon the streets of the City of Indianapolis without first complying with all the provisions of this ordinance.

"(c) It is hereby declared by the Common Council of the City of Indianapolis that the public convenience and necessity can best be served by limiting the number of taxicabs operating in the City of Indianapolis to one (1) taxicab for each two thousand (2,000) of population of said city, as shown by the last preceding United States census. The City Controller of the City of Indianapolis is hereby prohibited from issuing licenses under this ordinance except in accordance with this limitation; provided, however, that this provision shall not affect the number of taxicabs operating with valid licenses on the effective date of this ordinance, except as such licenses are abandoned through failure or inability of operators to meet the requirements of this ordinance, or such licenses are not renewed within three (3) days after their expiration, or through revocation for cause.

"(d) No license for the operation of a taxicab, or taxicabs, under the provisions of this ordinance, shall be granted to any person or corporation operating any taxicab, or taxicabs, unless such person or corporation shall be the bona fide owner of such vehicle, and, at the time of the issuance of said taxicab license, such person or corporation so applying shall deposit with the City Controller the certificate of title for each taxicab to be licensed, the said certificate of title to be retained by the City Controller for such period of time as said vehicle is used as a taxicab and licensed under the provisions of this ordinance. The business of every licensed taxicab under the provisions of this ordinance shall be carried on by the person or corporation in whose name the bond or contract of insurance provided for herein is issued, and every licensed operator shall display in a conspicuous place on his cab the name of the person or corporation in whose name the license is issued, and no other corporate or personal name shall appear thereon. No operator of a taxicab licensed in accordance with the provisions of this ordinance shall rent or lease to any person, or persons, including his or its employees, any cabs so licensed."

"The Board of Public Safety, subject to the approval of the Common Council by an ordinance duly passed, is hereby authorized to locate, designate and establish all taxicab stands and call boxes in the area within the City of Indianapolis bounded by said North, South, East and West Streets, and at such other locations within said city not herein prohibited, and shall fix the number of taxicabs that shall be allowed to stand at any public taxicab stand so authorized.

"The Board of Public Safety shall cause to be attached to a post or stanchion a metal sign, which shall state the number of taxicabs or motor vehicles for hire which shall be permitted to stand at each public taxicab stand.

"(b) No taxicab stand shall be established which is within twenty-five (25) feet of a street intersection, and no stand shall be established which shall conflict with any safety zone or bus line heretofore established, or at any place where parking is prohibited or may hereafter be prohibited."

Section 3. That Section 19 of General Ordinance No. 28, 1931, (as amended), be amended to read as follows, to-wit:

"Section 19. CRUISING AND SOLICITING. No taxicab, while awaiting employment by a passenger, shall stand on any public street or place other than at or upon a stand designated or established in accordance with this ordinance; nor shall any driver of a taxicab, for the obvious purpose of searching for or soliciting patronage, cruise, drive or operate over, along and upon any street or streets of this city upon which street cars of either the track or trackless trolley type, or buses engaged in an established intra-city common carrier passenger service, are being operated, or ask or request persons to take passage in such taxicab when waiting to take passage on a street car of either the track or trackless trolley type, or bus, at an established loading point for such street car or bus; nor shall any driver of a taxicab seek employment by repeatedly and persistently driving his taxicab to and fro in a short space, or by otherwise interfering with the proper and orderly access to or egress from any theater, hall, hotel, public resort, railway station, or other place of public gathering, but any driver may solicit employment, except as hereinbefore expressly prohibited, by driving through any public street or place without

stops, other than those due to obstruction of traffic, and at such speed as not to interfere with or impede traffic, and may pass and re-pass before any theater, hall, hotel, public resort, railway station, or other place of public gathering; provided, that after passing such public place he shall not turn and re-pass until he shall have gone a distance of two (2) blocks upon the streets and highways of the city, and no person shall solicit passengers for a taxicab except the driver thereof when sitting upon the driver's seat of his vehicle. No person shall be allowed to ride on the box with the driver.

"It shall be unlawful for the driver of any taxicab to wear cap or uniform similar in color or design to caps or uniforms which are now or may hereafter be adopted as the official cap or uniform for the members of the police or fire department of the City of Indianapolis.

"It shall be unlawful for any taxicab driver to drive said taxicab with more persons therein than the seating capacity according to the manufacturer's rating as shown by the license of such taxicab."

Section 4. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

December 18, 1933.

*To the Honorable Members of the Common Council  
of the City of Indianapolis:*

A committee from the Employees General Council of the Indianapolis Street Railways desires to express themselves in regard to the new Taxicab Ordinance No. 96 that will be considered by the City Council in the near future.

The large number of cabs in this city has made the traffic problem acute. The cabs, darting here and there frantically hunting passengers, has slowed up the traffic considerably. Many women and children have complained that they have almost been run down by inconsiderate drivers.

The NRA has improved the laboring conditions in this city. However, this is not true with the cab business. Because of the large number of cruisers, it is impossible for the drivers to make a decent wage. After the guarantee is paid to the cab company, the drivers seldom make over four or five dollars for a seven-day week. Such a deplorable labor condition should be adjusted. It can be. The new Taxicab Ordinance reduces the number of cabs considerably. Thus the drivers should be able to make a living wage, and not endanger wages now being paid other transportation employees, and at the same time help the traffic problem and make the streets safer for women and children.

Nearly two years ago we perfected an Employees Representation Plan and some eighteen months ago were in a meeting with the Indianapolis Railways' officials, after being duly elected by the personnel of the Indianapolis Railways, to represent them on matters affecting their welfare. We, as a body, proposed to the officials that some action be taken regarding the unfair practices of the taxis.

The officials were indifferent to our plea, giving as a reason that they did not wish to engage in a taxi war, and they thought the taxi men would get it straightened out in the near future.

So, under this watchful waiting policy of our Company, we saw revenue drop, and cars taken off, which threw well-paid employees out of work because of the taxi situation.

With the advent of the NRA, and President Roosevelt's repeated accusations regarding his views on labor and wages, we thought the taxis' standard would be raised. But this proved to be a rosy dream because the taxi companies were exempted from the provisions of the NRA as to the drivers, those being the good bulk of their employees.

This continued guerilla warfare has driven the legitimate taxi companies off the streets and thereby robbed the taxi riding public of the safe, confident, and peaceable service they formerly enjoyed.

When we had almost despaired of any recourse, the Council of the City of Indianapolis came to the rescue of our citizens by introducing an ordinance known as General Ordinance No. 96, 1933, which would enable the taxi industry to conform to the spirit of the NRA.

As citizens of this "No Mean City," and as representatives of 1400 car and bus employees and their families residing in all parts of the city, we urge the Council to enact this ordinance into law.

RUDOLPH GEISLER,  
JOHN W. STALEY,  
MORGAN J. SQUEER,  
ARTHUR ROMTREE,  
CHAS. A. PREMANN,

Members of Special Committee of the  
Employees General Council of the  
Indianapolis Railways and Peoples  
Motor Coach Company.

Mr. Wheatley asked for a recess. The motion was seconded by Mr. Welch, and the Council recessed at 7:45 p. m.

The Council reconvened from its recess at 10:40 p. m., with the same members present as before.

*Mr. President:*

I move that General Ordinance No. 96, 1933, be amended to read as follows:

GENERAL ORDINANCE NO. 96, 1933  
(AMENDED)

AN ORDINANCE amending Sections 2, 17 and 19 of General Ordinance No. 28, 1931, (as amended), entitled: "An Ordinance concerning taxicabs, providing for the regulation and licensing

of the same, providing penalties for the violation thereof, repealing all ordinances in conflict therewith, and fixing a time when the same shall take effect," repealing all ordinances in conflict therewith, and fixing a time when the same shall take effect.

**BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:**

Section 1. That Section 2 of General Ordinance No. 28, 1931, (as amended), be amended to read as follows, to-wit:

"Section 2. (a) The business of operating taxicabs upon the streets of the City of Indianapolis is declared to be a business affected with the public interest. The rapid increase in the number of taxicabs in the City of Indianapolis has so increased the dangers and hazards of travel upon the streets of the city as to make it imperative that more stringent regulation should be employed, to the end that the streets may be rendered safer for the use of the general public; that congestion of traffic upon the streets may be minimized, and that the use of the streets for the transportation of persons for hire may be restricted to the extent required by the necessity of the general public.

"(b) No person or corporation shall engage in the business of operating a taxicab, or taxicabs, upon the streets of the City of Indianapolis without first complying with all the provisions of this ordinance.

"(c) It is hereby declared by the Common Council of the City of Indianapolis that the public convenience and necessity can best be served by limiting the number of taxicabs operating in the City of Indianapolis to one (1) taxicab for each two thousand (2,000) of population of said city, as shown by the last preceding United States census. The City Controller of the City of Indianapolis is hereby prohibited from issuing licenses under this ordinance except in accordance with this limitation; provided, however, that this provision shall not affect the number of taxicabs operating with valid licenses on the effective date of this ordinance, except as such licenses are abandoned through failure or inability of operators to meet the requirements of this ordinance, or such licenses are not renewed within three (3) days after their expiration, or through revocation for cause."

"(d) The business of every licensed taxicab under the

provisions of this ordinance shall be carried on by the person or corporation in whose name the bond or contract of insurance provided for herein is issued, and every licensed operator shall display in a conspicuous place on his cab the name of the person or corporation in whose name the license is issued, and no other corporate or personal name shall appear thereon. No operator of a taxicab licensed in accordance with the provisions of this ordinance shall rent or lease to any person, or persons, including his or its employees, any cabs so licensed."

Section 2. That Section 17 of General Ordinance No. 28, 1931, (as amended), be amended to read as follows, to-wit:

"Section 17. TAXICAB STANDS (a) The Board of Public Safety, subject to the approval of the Common Council by an ordinance duly passed, is hereby authorized to locate, designate and establish all taxicab stands and call boxes within the City of Indianapolis and shall fix the number of taxicabs that shall be allowed to stand at any public taxicab stand so authorized."

"(b) No taxicab stand shall be established which is within twenty-five (25) feet of a street intersection, and no stand shall be established which shall conflict with any safety zone or bus line heretofore established, or at any place where parking is prohibited or may hereafter be prohibited."

Section 3. That Section 19 of General Ordinance No. 28, 1931, (as amended), be amended to read as follows, to-wit:

"Section 19. CRUISING AND SOLICITING. No taxicab, while awaiting employment by a passenger, shall stand on any public street or place other than at or upon a stand designated or established in accordance with this ordinance; nor shall any driver of a taxicab, for the obvious purpose of searching for or soliciting patronage, cruise, drive or operate over, along and upon any street or streets of this city upon which street cars of either the track or trackless trolley type, or buses engaged in an established intra-city common carrier passenger service, are being operated, or ask or request persons to take passage in such taxicab when waiting to take passage on a street car of either the track or trackless trolley type, or bus, at an established loading point for such street car or bus; nor shall any driver of a taxicab seek employment by repeatedly and persistently driving his taxicab to and fro in a short space, or by otherwise interfering with the proper and orderly access to or egress from any theater, hall, hotel, public resort, rail-

way station, or other place of public gathering, but any driver may solicit employment, except as hereinbefore expressly prohibited, by driving through any public street or place without stops, other than those due to obstruction of traffic, and at such speed as not to interfere with or impede traffic, and may pass and repass before any theater, hall, hotel, public resort, railway station, or other place of public gathering; provided, that after passing such public place he shall not turn and repass until he shall have gone a distance of two (2) blocks upon the streets and highways of the city, and no person shall solicit passengers for a taxicab except the driver thereof when sitting upon the driver's seat of his vehicle. No person shall be allowed to ride on the box with the driver.

"It shall be unlawful for the driver of any taxicab to wear cap or uniform similar in color or design to caps or uniforms which are now or may hereafter be adopted as the official cap or uniform for the members of the police or fire department of the City of Indianapolis.

"It shall be unlawful for any taxicab driver to drive said taxicab with more persons therein than the seating capacity according to the manufacturer's rating as shown by the license of such taxicab."

Section 5. This ordinance shall be in full force and effect from and after its passage and publication according to law.
